- Damage
- Safety
- Liability

# Sample Views: C-Secure

*Sample*

The screenshot displays the C-Secure dashboard interface. At the top left, the C-SECURE logo is present with the tagline "Connecting machines to Business performance". To the right of the logo, the text "Sample Views: C-Secure" is displayed. The dashboard itself features a header with the C-SECURE logo and a "Welcome! Lori!" message. Below the header, there are several data visualization components: three pairs of gauges (each pair consisting of a circular gauge and a vertical thermometer), a "Users Online" list, a "Contact C-Secure" box, and two more circular gauges. At the bottom, there is a "Quick Tips - Solving Tracer" link.

**Dashboard Metrics:**

- SP: 47.7 psi
- ST: 36.1 °F
- DP: 610.0 psi
- DT: 111.0 °F
- BP: 145.0 psi
- BT: 51.0 °F
- MA: 350.0 A rms
- LSV: 0.00 %

**Users Online:**

- Lori
- Steve
- Allen
